Subject: Noise of Scrubber Fan 2K0804 (K-664)

Dear Mrs, Soare,

In context of noise emissions from Scrubber Fan 2K0804 (K-664), herewith declare that:

The equivalent sound pressure level A at distance 1 from insulated fan casing surface in sound free field conditions is $L_{pA} < 85$ dB with background noise level max. 75 dB.

Sincerely,

Petr Skála
